

DCA REGISTER OF ACTIONS - on-going list		
Act.No	Action	Responsible
From Council 28-10-17		
32	Stub Scrin Shaft to be capped. The material is available to make the shaft safe.	PK
From Council 30-6-18		
42	MH to scan earlier DCA Newsletters for website. On going project, Mike is working back through them.	MH
From Council 27-10-18		
48	DCA Store: It is still the intention to move the container to a better location, and all are encouraged to seek out a suitable site. New potential site found. Awaiting feedback from Tony Marsden.	ALL
From Council 23-02-19		
59 / 60	Masson Mine. Alternative access to Great Masson Cavern could be gained by re-opening Upper Close Shaft, still awaiting visit to landowner. Old Jant Mine, DCA sent letter to the owner, offering to re-cap Gentlewoman's Shaft but no response to date.	WS / AB / AR
From Council 16-11-19		
66	Find volunteers for conservation officer and secretary. Split up conservation officer role so current officers can take on duties.	WS
From Council 22_02_20		
71	Surveys in the tubes from the John Beck collection are now logged. A decision is now required on what to be published on on the website and ensure all copyright permissions are in order.	WS / PW
72	Shaft equipment. Put proposal to BCA Conservation and Access Meeting.	WS / AB / PK
73	Caves of the Peak District. Subcommittee to be created to look into the best way to deal with the future of the guidebook and the on-line website pages which will hold the updated and detailed data to provide current and expanded information to accompany the book.	WS
74	TSG is offering secure storage at their hostel in Castleton for DCA's equipment. Equipment to be moved to new storage.	SBr
75	Eldon Hole dig site and 2000 year-old human remains (bones). John Gunn has suggested that personnel from Historic England should be taken to the dig site to see what is there, in the hope that there will be a better understanding of the issues, leading to a solution which will allow future cave exploration at the site. Approach DCRO to see if they would be able to provide the lowering mechanism and the necessary manpower and skills.	WS
76	DCA Post Meeting Practical Section (June Meeting). Arrange a post-meeting practical session, possibly in a local cave / mine.	SBr
77	Hidden Earth 2020. DCA should have a presence at the conference, that we should aim to have a stand to publicize DCA and that we should produce a pamphlet describing the work done by DCA.	All
78	Rookery Mine Issue with lock and problems unlocking the gate at the mine. Work is in hand to replace the lock.	AB
